PRESIDENT'S MESSAGE

ANCHORED IN FAITH, COMMITTED TO EXCELLENCE

(ROMANS 8:19; DANIEL 6:3)

Oh, Glorious God, our hearts overflow with gratitude for your unfailing help and faithfulness throughout the years. you are God from beginning to the end, no place for argument, you are God all by yourself. Thank you for bringing us together for the 2026 Reunion Fellowship in such a glorious and memorable way. We are especially grateful for the privilege of inaugurally using this great edifice, the **IVCU Legacy Building.** Indeed, this is the Lord's doing, and it is marvellous in our eyes.

It is with great joy that I warmly welcome you all to our **Global Reunion 2026.** This year marks the 66th anniversary of the founding of IVCU on Christ, the Solid Rock.

Beloved, our journey has been one of continuous growth, guided by the principle of precept upon precept. Since the Lord began gathering us biennially, He has faithfully continued to give us instructions and direction for our onward progress, enabling us to grow from strength to strength and become better, until that perfect day Proverbs 4:18 "But the path of the just is as the shining light, that shineth more and more unto the perfect day." when we will become whom, He is indeed, 1 John 3:2 says, "Beloved, now are we the sons of God, and it doth not yet appear what we shall be: but we know that, when he shall appear, we shall be like him; for we shall see him as he is."

May this reunion be another significant milestone in our collective journey of spiritual growth, deeper fellowship and fulfilment of God's purpose for IVCU. Building on our 2024 theme, **"Thoroughly Furnished unto Good Works,"** we sense that the Lord is bringing a fresh challenge before us. A vessel that has been thoroughly furnished must be put to excellent use. God is calling us to reaffirm our commitment and remain firmly anchored in our purpose, recognising that there is still much ground to cover.

Beloved, we are living in a generation characterised by rapid change, complex challenges and unprecedented opportunities. We must therefore be intentional about rising above mediocrity in every area of life. We give praise to God for how far He has helped us: some have made remarkable contributions in ministry, others in academia, while many are making a difference in various walks of life. However, the question before us now is: **To what extent have we translated the faith once delivered to us into tangible impact in the marketplace?**

Making a meaningful difference in the marketplace demands excellence, competence, relevant skills and godly wisdom. This is why we must trust God for a fresh understanding and the wisdom to navigate the challenges ahead. Indeed, "the whole creation waits with eager longing for the revealing of the sons of God" (Romans 8:19).

It is time to move beyond conventional boundaries and challenge the status quo in business, politics, governance and other spheres of societal influence. While Romans 8:19 may be understood in the context of the future manifestation of the glory of God's children and the ultimate redemption of creation, it also presents a compelling challenge for practical kingdom expression in our present world.

Through faith in Christ, we already possess the identity of God's children. The world must now see the practical expression of that identity through our character, righteousness, excellence, creativity and transformative contributions. We are called not merely to occupy positions but to bring the values, wisdom and solutions of God's Kingdom to bear on every sphere of human endeavour.

There is a subtle way in which the devil seeks to deceive believers by creating a separation between godliness and excellence, thereby introducing a disconnect between faith and outstanding performance. However, a true child of God must be both relevant on earth and eternity ready.

Our Master has instructed us to occupy until He comes (Luke 19:13): "And he called his ten servants, and delivered them ten pounds, and said unto them, Occupy till I come." This instruction does not mean that we should conform to the world, but rather that we should exercise godly influence and ensure that Christ reigns wherever we find ourselves.

This assignment cannot be fulfilled without operating in divine power and an excellent spirit, as exemplified by Daniel. We must remain competent, relevant and outstanding in our respective fields. Our faith must never be brought into disrepute because we lack the knowledge, skills or capacity required to function effectively in the spheres of influence God has entrusted to us.

Excellence, therefore, is not a departure from godliness; it is an expression of faithful stewardship. We must be spiritually grounded, intellectually equipped and professionally competent to fulfil our God-given mandate.

What, then, must we do to avoid falling short in this stewardship assignment?

1. Visionary Thinking

Like the men of Issachar, we must possess the ability to understand the times and anticipate the future so that we can plan and act wisely.

1 Chronicles 12:32: "And of the children of Issachar, which were men that had understanding of the times, to know what Israel ought to do."

Effective leadership requires more than responding to present circumstances; it demands the foresight to discern emerging realities, anticipate challenges and prepare for the future. We must cultivate a strong vision and the capacity to translate that vision into purposeful action.

2. Purposefulness

Daniel provides an outstanding example of purposeful living.

Daniel 1:8: "But Daniel purposed in his heart that he would not defile himself with the portion of the king's meat, nor with the wine which he drank..."

Daniel served in government and outlived four kings. He distinguished himself above his contemporaries and excelled among the technocrats of his time, with no record of scandal or compromise.

His success was not accidental. Beyond his unwavering faith in God, Daniel possessed the intellectual and professional attributes required for leadership. Daniel 1:4 describes him and his companions as young men who

his time, with no record of scandal or compromise.
His success was not accidental. Beyond his unwavering faith in God, Daniel possessed the intellectual and professional attributes required for leadership. Daniel 1:4 describes him and his companions as young men who were physically fit, intelligent, well-informed, quick to learn and qualified for service in the king's palace.
These qualities positioned him for the training and opportunities that prepared him for leadership. His life teaches us that spirituality must go hand in hand with competence, discipline and integrity.
Like Daniel, we must not be found wanting in the qualities and qualifications required to succeed in leadership, whether in politics, public service, royalty or business.

3. Diligence
Diligence is essential to supplementing our faith with the virtues outlined in 2 Peter 1:5–7. Scripture calls us to make every effort to develop these qualities and ensure that our calling and election are sure. I therefore urge us to make deliberate and diligent efforts to grow spiritually, broaden our knowledge and remain well-informed.
The dynamism of our present world leaves no room for complacency or mediocrity. We must aspire to excellence, embrace continuous learning and constantly upgrade our skills in our respective fields of endeavour.
Our perfect example is Jesus Christ, who addressed humanity's greatest needs, including sin, sickness, oppression and separation from God. We too must position ourselves to be available and adequately equipped for God to use us as instruments of solutions to the challenges of our generation.

4. A Stewardship and Results-Oriented Approach to Life and Ministry
Revelation 22:12 declares: "And, behold, I come quickly; and my reward is with me, to give every man according as his work shall be."
This Scripture reminds us that our lives are investments entrusted to us by God, and that we will ultimately give account of how we have deployed the opportunities, gifts, resources and time committed to us. We must therefore approach life and ministry with a strong sense of stewardship, responsibility and accountability. A life lived without this understanding risks becoming unproductive and unprofitable.
I call us to rise above distractions, embrace effective time management, exercise discipline in our daily pursuits and cultivate a Christ-like lifestyle. We must be intentional about producing results that bring glory to God and lasting value to humanity.

CONCLUSION
Beloved, the world is not merely waiting for people to occupy positions; it is waiting for people who can provide answers, inspire confidence and bring about meaningful change. Our generation is confronted with challenges that demand visionary thinkers, purposeful leaders, diligent professionals and faithful stewards.
We must therefore refuse to be ordinary when God has equipped us for extraordinary assignments. Let us develop the understanding of the men of Issachar, embrace the purposefulness of Daniel, demonstrate the diligence Scripture demands and approach life and ministry with the consciousness that we are accountable stewards of God's investments.
Above all, let our relationship with Christ remain the foundation of everything we do. Knowledge without godliness can lead to pride; ambition without purpose can become self-serving; and excellence without integrity can be destructive. Our ultimate motivation must be to glorify God and serve humanity.
As we depart from this gathering, I challenge each of us to move beyond good intentions to deliberate action. Let us identify the needs around us, equip ourselves to address them and make ourselves available for God to work through us. May we never be found wanting when our generation needs the solutions God has prepared us to provide.
May our anchor in Christ become ever firmer, our commitment to excellence ever stronger, and our influence ever more meaningful. May our lives become testimonies of godly leadership, purposeful service and lasting impact.
May we not merely pass through our generation; may our generation experience the difference because we lived, served and fulfilled God's purpose.
May this be our testimony, in Jesus' mighty name. Amen.

OUR STEWARDSHIP IN BRIEF
We have continued to build on the foundation and legacy of our predecessors in fulfilling the statutory obligations of the Fellowship. We have also made progress in advancing initiatives and activities reported two years ago (as documented in the IVCUAF Global Reunion 2024 Newsletter).
We have remained committed to the vision established at the inception of our tenure, which was initially anchored on three strategic priorities:
1. Global Centralisation of Operations
2. Strengthening the Network among the brethren
3. Accelerated Completion of the IVCU Legacy House

We subsequently expanded this vision to incorporate a fourth strategic priority:
Sustainable and Robust Welfare Programmes
and to actualise these objectives, we have embarked on several initiatives, some of which are highlighted below:

- **Legacy Building Campaign:** I thank you all for your donations. The IVCU Legacy House is now approaching completion. However, the remaining stages, particularly furnishing and fittings, require substantial financial commitment. Indeed, this is the stage at which the support of every member is most critical. As we prepare to hand over, I make a special appeal for renewed commitment and generous support for the Building Committee to ensure that we deliver this enduring legacy.
- **Introduction of Generational Fellowships:** We have introduced generational fellowships as an additional structure alongside the existing Chapters, with the aim of strengthening relationships, promoting intergenerational engagement and deepening the bonds among brethren.
- **Formal Induction of Final-Year Brethren (FYB):** We have established the formal induction of Final-Year Brethren into the IVCUAF fold as a pathway to ensuring a historic transition from undergraduate membership to lifelong participation in the Alumni Fellowship.
- **Career and Leadership Academy:** The Academy has commenced its first-year programme, built around a structured four-year curriculum designed to develop the leadership capacity, career readiness and professional competence of our younger brethren.
- **IVCU Global Secretariat (IGS):** We have established the IVCU Global Secretariat as the permanent administrative engine of IVCUAF. It is designed to provide institutional continuity, strengthen day-to-day administration and sustain the Fellowship's programmes and initiatives beyond the tenures of successive Central Executive Committees (CECs). Its responsibilities will also include the direct maintenance and management of the IVCU Legacy Building.
- **Unified Coordinating Framework for Staff Advisers:** We have established a common coordinating framework for Postgraduate (PG) and Undergraduate (UG) Staff Advisers to foster a more connected and coordinated Fellowship, encourage collaboration and promote effective resource sharing across the different arms of IVCU.

Your brother,
'Soji Adisa
IVCUAF President

IVCUAF North America General Secretary's Report

Reporting Period: **December 2024 – November 2026**
Presented at the Global Reunion, Ibadan, Nigeria | November 2026

Introduction and Thanksgiving

In the name of our Lord and Savior Jesus Christ, we give all glory, honor, and praise to God, who has been our help in
ages past and remains our hope for the future. Throughout this reporting period, the Lord has once again demonstrated
His faithfulness, reminding us that we are never beyond His care, protection, and provision. We thank God for His sustaining grace over the North American Fellowship during the past two years. Following the successful 2024 Reunion, the fellowship has continued to experience growth, deeper connections, meaningful service, and countless testimonies of God's goodness. While this report cannot capture every event and blessing, it highlights some of the significant developments and milestones recorded across the fellowship.

Fellowship, Meet-and-Greet Events, and Celebrations

One of the enduring strengths of our fellowship has been the opportunities for brethren to connect, encourage oneanother, and deepen relationships through various meet-and-greet gatherings across North America. The Houston Chapter hosted two successful fellowship events in August and November 2025. The November gatheringcoincided with the 60th birthday celebration of our General Secretary, **Bro. Ebenezer Nweke**, and was marked by strong
attendance, joyful fellowship, and heartfelt thanksgiving as we celebrated God's faithfulness in his life.

We also rejoiced with several brethren who celebrated important milestones during this reporting period. Notably, **Bro. Niyi Oduntan** celebrated his 50th birthday, and more recently, **Prince David Oladejo** also marked his 50th birthday. We thank God for preserving His servants and pray for continued grace, divine protection, and abundant blessings upon them and their families.

In Canada, fellowship activities have continued to flourish. The 2025 Canada Meet-and-Greet was held in Calgary, Alberta, and attracted a remarkable turnout. It was a beautiful time of fellowship, ministry, networking, recreation, and mutual encouragement. Indeed, serving God and enjoying Christian fellowship remain complementary experiences.

The most recent Calgary Meet-and-Greet was held on **July 26, 2026,** in a picnic format and drew approximately 85 participants, including brethren, children and grandparents. It was truly a memorable gathering characterized by vibrant fellowship, fun, encouragement, and spiritual refreshing. Efforts are currently underway to facilitate similar gatherings in other parts of Canada, God willing. We give thanks to God for His faithfulness and unfailing love toward the brethren in Canada. Over the last two years, we have witnessed numerous testimonies that have strengthened our faith and inspired gratitude.

The Lord has blessed many families with newborn children, graduations, employment opportunities, promotions, ministry assignments, and various personal and family celebrations. At the same time, some brethren have faced significant challenges, including health concerns, bereavements, job losses, and other situations requiring prayer and support. Through every season, however, Jehovah has remained our Helper, Sustainer, and Refuge. The faithfulness of God has been evident in every circumstance.

We also appreciate the dedication and consistency of our Ontario Praise Team. Their ministry during our monthly prayer calls has been uplifting, encouraging, and spiritually enriching. We pray that the Lord will continue to strengthen and increase His grace upon every member of the team.

Regarding the Legacy Building Project, we thank God for placing a spirit of generosity in the hearts of the brethren. Weare grateful to all who have contributed and continue to encourage those who have not yet participated to prayerfully support this important work. Indeed, the Lord has been faithful. Our collective testimony remains: "Thank You, Lord."

God's Faithfulness and Care

We remain profoundly grateful that during this reporting period the fellowship did not record the loss of any member directly. However, we stood alongside several brethren who experienced the loss of loved ones.

Among those who mourned during this period were our sister, Adedayo Ariyibi, and brethren Authority Ugbenin and Tunde Ajala, who lost their mothers. The mother of **Bro. Tunde Ajala** passed away in the United States and was laid to rest here as well.

Our U.S. Coordinator, **Bro. Femi Dinakin,** also lost his mother-in-law, while our Deputy National Coordinator for Canada mourned the passing of his father.

We extend our deepest condolences to these families and continue to pray that the God of all comfort will strengthen and uphold them. Even in times of loss and sorrow, we have witnessed the mercy, compassion, and sustaining grace ofGod.

Graduations and Professional Milestones

We thank God for the many academic and professional accomplishments recorded among our members and their families during this reporting period.

Several of our children successfully completed medical school and other academic programs, while many members attained additional qualifications, certifications, and professional advancements.

We particularly celebrate:

- **Bro. Michael Araba,** who successfully completed his Master's degree.
- **Sister Excellence,** our Assistant General Secretary, who graduated from a nursing program.
- The many families whose children completed medical, professional, and other academic programs during this
period.

To God be the glory for these achievements and opportunities for growth and advancement.

Prayer Meetings and Testimonies

Our monthly prayer meetings, held on the last Sunday of every month, have continued to serve as a vital source of spiritual strength, encouragement, and unity.

Brethren have actively participated in leading prayer sessions, interceding for one another, and sharing testimonies of God's intervention in their lives. Through these gatherings, we have continued

to receive encouraging reports of answered prayers, healing, breakthroughs, divine provision, and spiritual growth.
These testimonies remind us of God's faithfulness and reaffirm the power of united prayer and Christian fellowship.

Participation in Global Fellowship Activities
The North American Fellowship has remained fully engaged in the activities of the global body and has continued to strengthen its connections with brethren around the world.
Many members participated in the 2024 Reunion, both physically and virtually. Brethren served in various capacities, including prayer leadership and administrative support. The Reunion was impactful, and many lives were blessed through the ministry of the Word and fellowship.
We also thank God for the participation of Bro. Michael Araba and other brethren who attended the UK Reunions in person in both 2025 and 2026. Additionally, Bro Femi Alli, ministered during the 2025 UK Reunion. We remain grateful for every opportunity to serve and connect with the wider fellowship globally.

Commitment to Students and Missions
Our commitment to supporting indigent students and missionary work has remained steadfast. Through the generosity of brethren and partnership with the Global Fellowship, many students have received assistance that enabled them to continue and successfully complete their educational programs. We have received several testimonies from beneficiaries who might otherwise have been unable to sustain their studies.
The North American Fellowship also continued its support of IVCU Missions and contributed toward the maintenance of vehicles used for the transportation of brethren and ministry activities.
We are especially thankful for opportunities to support students from disadvantaged backgrounds, including Muslim students, as part of our outreach and witness. We pray that these investments will continue to produce lasting spiritualand societal impact.

Review of the Bylaws and Constitution
The Fellowship's bylaws underwent a comprehensive review to reflect the organization's growth, evolving realities, and current needs.
The Bylaw Review Committee, under the capable leadership of **Bro. Abiodun Adeola,** met consistently over several months and worked diligently to prepare and update the governing document. We appreciate the commitment and sacrifice of all committee members who contributed to this important exercise.

First Wedding in North America
A historic milestone was recorded during this reporting period with the first wedding involving members of the North American Fellowship.
The marriage of **Sister Damilola** and **Brother Courage Ekoh** took place in Buffalo, New York, and was well attended by brethren from various locations. We were particularly honored by the attendance of two national leaders, **Bro. Michael Araba** and **Bro. Abiodun Adeola,** who traveled from Ohio and North Carolina, respectively.
We rejoice with the couple and pray for God's continued blessings upon their union.

Legacy Building Project
The North American Fellowship has played a significant role in supporting the completion of the Legacy Building Project. We particularly acknowledge the efforts of Bro. Michael Araba, Chairman of the Building Committee, who has coordinated numerous fundraising initiatives both locally and internationally.
In addition to the generous contributions of our members, significant support was also received from churches, ministries, and Christian organizations associated with our brethren. We are sincerely grateful for every contribution toward this historic project.

Celebrating a Major Milestone
We rejoiced with the Global Fellowship in February 2026 as the Legacy Building reached a significant milestone. With the installation of lighting, internet services, and water supply on the second floor, a major phase of the project was completed.
While much progress has been made, the building remains a work in progress. The collective goal remains the full completion and operational readiness of the facility before the November 2026 Reunion.
We therefore encourage all brethren to continue supporting this vision through prayer and financial contributions. No gift is too small, and every contribution helps move the project closer to completion.

To everyone who has contributed, may the Lord richly reward your sacrifice and generosity. We count it a privilege to participate in this landmark project and in the celebration of the Legacy Building's progress. To God alone be the glory.

Finance
We express sincere appreciation to all brethren who have faithfully supported the ministry financially throughout this period.
The Fellowship has played a significant role in shaping many of us into Christian leaders, ministers, professionals, and influencers across various sectors of society. It is therefore both our privilege and responsibility to ensure that future generations enjoy the same opportunities for sound biblical teaching, mentorship, discipleship, and fellowship that enriched our lives during our student years.
We continue to encourage every family to support this vision through the recommended minimum annual donation of **$250 per family.**

Conclusion
As we look back on the period from December 2024 to November 2026, our hearts are filled with gratitude to God for His abundant faithfulness, protection, provision, mercy, and guidance.
The Lord has strengthened our fellowship, preserved our members and their families, expanded opportunities for ministry, sustained our mission efforts, and enabled us to remain connected as one body across North America and beyond.
As we gather for this Reunion, we do so with thankful hearts and renewed confidence in the God who has led us thus far. We trust that He will continue to guide, strengthen, and prosper the Fellowship in the years ahead.
May the Lord help each of us to make the most of the opportunities for spiritual growth, fellowship, service, and encouragement during this Reunion.
We wish everyone a blessed time in His presence and a safe journey back to their respective destinations.
To God be all the glory. Amen.

General Secretary,

IVCUAF 1990-1999 Generational Report

To God be the glory for His doing in IVCUAF as a whole and the 1990-1999 Generational set.
As with other generational set, we came to be about two years ago. God has been our helper in every facet of our lives.
Efforts have been made to foster a stronger relationship among us with communications from the main house disseminated through our WhatsApp group and reaching individuals as much as possible.
We had an "inaugural" online meeting in June 2025 and some others latter. Through these meetings, we have charged ourselves to be "our brothers' keepers" and to be alive to our responsibilities as one of the main pillars in the IVCUAF. These have worked to a certain extent but we trust God to help us do better. However, it may still be noted that many of our set are playing prominent roles in the IVCUAF Executives and other areas of the Fellowship.
There are many of us who have not really identified with IVCUAF, some others very "lukewarm" for reasons one may not be able to say exactly. We will however, not relent in seeking for such brethren as the more we are together, the better and happier we will be.

We do recognise many of our brethren going through various challenges of life. Ranging from lack of befitting job/joblessness leading to financial crises, sickness, loss of husband or wife and spiritual apathy among others. We are trusting God to grant them grace to go through these and to eventually turn their "pains" into testimonies in Jesus' name.

Milestone/Testimonies
There are many breakthroughs/Testimonies, promotions and celebrations that are the doings of the Lord in our midst through which we have reasons to thank the Lord. We cannot count them all. Very few that are known to us as at the time of writing this report include:

- Appointment of Bro (Professor) Christopher Okiki as University Librarian at University of Lagos.
- Renewal for 2nd term of Sister (Professor) Joke Akinyele as Dean Faculty of Renewable Natural Resources University of Ibadan
- Promotion of Sister (Professor) Funke Ezekiel as Professor in the Department of Food Technology at University of Ibadan. This appointment makes her the first female Professor in the Faculty of Technology. She is currently the Head of Department.
- Sister (Professor) Toyin Fashae was promoted to the rank of Professor at Geography Department and subsequent appointed as Head of Department.
- Sister (Professor) Victoria Adetunji of Faculty of Veterinary Medicine University of Ibadan delivered her inaugural in February 2025
- Sister (Professor) Mabel Omowumi Ipinmoroti gave inaugural in March 2025 at Osun state University. Our sister is a Professor of Fisheries and is currently the Provost of the College of Agriculture at the same University. To God be the glory.
- Many of our brethren completed their PhD degree across different Universities.
- Professor Gbenga Oyeyemi gave his daughter (Mercy Oyeyemi) out in Marriage in December 2025.

For all these doings of the Lord and other numerous that are not

IVCUAF Oyo State Chapter Report

COMPREHENSIVE REPORT OF ACTIVITIES
DECEMBER 2024 – NOVEMBER 2026

1.0 INTRODUCTION

We give all glory, honour and adoration to God Almighty for His faithfulness, goodness, mercies and love towards IVCUAF Oyo State Chapter and the fellowship at large. Indeed, it is by His mercies that we are not consumed.

The period under review, December 2024 to November 2026, has been one of sustained fellowship, spiritual growth, leadership continuity and strengthening of relationships among members. This report highlights the chapter's leadership, fellowship activities, collaboration with IVCU Postgraduate brethren (IVCUPG), members' achievements, financial position, challenges and proposed areas of development.

2.0 LEADERSHIP AND ADMINISTRATION

At the joint fellowship with the IVCU Postgraduate (IVCUPG) brethren held in December 2024 at Zion, Awo Hall, University of Ibadan, all serving executives were reappointed for another term. The reappointment ensured continuity in the administration and coordination of chapter activities.

Name	Position
Sis. Oluwabukola Lawrence-Azua	Chapter Coordinator
Bro. Seye Akinmusira	Secretary
Bro. Toyin Oguntunde	PRO
Bro. Tolu Ojetola	Prayer Leader
Sis. Funmi Adeyemi	Treasurer

3.0 FELLOWSHIP AND SPIRITUAL ACTIVITIES

3.1 Quarterly Fellowship Meetings

The chapter holds four fellowship meetings annually. These gatherings provide opportunities for members to worship, study God's Word, share testimonies, pray and strengthen relationships.

Attendance at the quarterly fellowship meetings typically ranges between 80 and 110 members, reflecting the continued interest and participation of brethren in the chapter's activities.

The month of June is designated as a statutory joint fellowship with the IVCU House, providing an avenue for alumni members to reconnect with the undergraduate fellowship and encourage the younger generation.

3.2 Monthly Prayer Meetings

Prayer meetings are held on the first Saturday of every month. These meetings provide opportunities for corporate intercession, spiritual encouragement and committing members, families, the fellowship and the nation into God's hands.

3.3 Celebrations and Milestones of Members

The chapter recognizes and celebrates significant milestones in the lives of its members. During the period under review, we shared in the joy of our brethren through weddings, birthdays, inaugural lectures, graduations and other notable academic and professional achievements.

These occasions provide opportunities to rejoice with one another, demonstrate love, offer encouragement and strengthen the bonds of Christian friendship and fellowship.

We give God all the glory for His faithfulness in the lives of our brethren and pray for greater accomplishments, fulfilment and divine favour in their various endeavours.

3.4 Healthy Living, Retirement Planning and Investment Awareness

Beyond our spiritual exercises and fellowship activities, the chapter also emphasized the importance of holistic living and responsible preparation for the future.

Discussions and encouragement were given on healthy lifestyles, maintaining good health, planning adequately for retirement and developing a culture of investment.

Particular emphasis was placed on the need for brethren to make deliberate financial and investment decisions, irrespective of age or present financial status. Younger members were especially encouraged to cultivate the habit of saving and investing early, while older members were encouraged to plan adequately for life after active service and retirement.

These discussions reflect the chapter's recognition that, in addition to spiritual growth, members need practical knowledge and guidance to live healthy, productive and financially responsible lives.

4.0 COLLABORATION WITH IVCU POSTGRADUATE (IVCUPG) BRETHREN

One of the major developments during this period has been the strengthened relationship between IVCUAF Oyo State Chapter and the IVCUPG brethren.

Following the joint fellowship in December 2024, efforts were made to sustain this relationship. Another joint meeting was pursued in March 2026, particularly to bridge the gap between the alumni and newly admitted postgraduate students who might not have been members of the University of Ibadan Christian Union during their undergraduate studies.

This initiative has encouraged integration, strengthened relationships and fostered a greater sense of belonging among the postgraduate brethren. They have consistently participated in chapter meetings and provided practical support through transportation, public address equipment, prayer and worship leadership, as well as assistance with fellowship arrangements.

This partnership has become a valuable aspect of the chapter's development and demonstrates the importance of unity and continuity across different generations of the IVCU family.

5.0 MEMBERSHIP DEVELOPMENT AND ACHIEVEMENTS

The chapter continues to encourage members' participation, reconnection and mutual support, recognizing the importance of maintaining a vibrant Christian family beyond the university environment.

We are particularly grateful to God for the numerous academic and professional milestones recorded by our brethren during the period. These include inaugural lectures, academic promotions, professional

advancements and other forms of upliftment.

We celebrate all members who have experienced significant achievements and elevations in their respective fields. Their accomplishments are testimonies of God's faithfulness and sources of encouragement to the fellowship.

The chapter remains committed to promoting an atmosphere where members can celebrate one another, offer encouragement and provide support through different seasons of life.

6.0 FINANCIAL REPORT (2024–2026)

The financial report was presented by the State Treasurer, Mrs. Adeyemi Oluwafunmilayo, covering the period from 12 October 2024 to 31 October 2026.

The Treasurer expressed appreciation to God, the chapter leadership and members for their trust, cooperation, generosity and prompt financial contributions throughout her tenure.

The chapter appreciates all members for their financial contributions and the Treasurer for her stewardship and commitment to the financial administration of the fellowship.

7.0 CHALLENGES

- Inconsistent attendance by some members.
- The need to improve communication and membership mobilisation.
- The need for increased financial support for chapter activities.

8.0 RECOMMENDATIONS AND WAY FORWARD

To strengthen the chapter and sustain its growth, the following recommendations are proposed:

1. Sustain the quarterly fellowship meetings and monthly prayer meetings.
2. Deepen collaboration with IVCUPG through more joint programmes.
3. Maintain the statutory June joint fellowship with IVCU House.
4. Improve membership records, communication and mobilisation.
5. Strengthen welfare and mutual support among members.
6. Encourage greater financial participation and commitment.
7. Organise occasional family and social gatherings.
8. Promote mentorship, discipleship, evangelism and community outreach.
9. Continue celebrating the academic, professional and personal milestones of members.
10. Sustain discussions and awareness programmes on healthy living, retirement planning and investment opportunities for members, particularly encouraging younger brethren to cultivate sound financial habits early in life.

9.0 APPRECIATION

The leadership sincerely appreciates all brethren for their commitment and consistent participation in chapter meetings and activities. We recognise the sacrifices involved in making time out of busy personal, family and professional schedules to fellowship together.

Appreciation to IVCUPG and IVCU Brethren

Special appreciation goes to the IVCUPG and IVCU brethren for their cooperation, practical support and willingness to serve. Their contributions have significantly strengthened the chapter's activities.

We are particularly grateful for their support with transportation, including making the IVCU bus available, often at very short notice, provision of public address equipment, prayer and worship leadership, assistance with fellowship arrangements, and designing of publicity flyers as the need arises.

We sincerely appreciate their prompt response and commitment to sustaining the relationship between the alumni, postgraduate and

undergraduate fellowships. We pray that this bond of love, unity and cooperation will continue to grow stronger.
May the Lord bless, strengthen and replenish them all, in Jesus' name. Amen.

Appreciation to Our Hosts (2024–2026)
We express our sincere gratitude to all our hosts who graciously opened their homes and provided warm hospitality for our fellowship gatherings throughout the period under review.
We deeply appreciate their generosity, love, kindness and sacrifices in providing conducive environments for our gatherings. Their hospitality has contributed immensely to the warmth, unity and continuity of our fellowship.
We also specially appreciate Bro. and Sis. Tunde Omojola, who will graciously host the chapter's December 2026 fellowship. We thank them in anticipation and pray that the Lord will richly bless and replenish them.
May the Lord reward all our hosts abundantly for their love and service to His people, in Jesus' name. Amen.

Appreciation to IVCUAF Global Executives
We sincerely appreciate the IVCUAF Global Executives for their leadership, guidance, encouragement and continued support of the Oyo State Chapter. We are grateful for their commitment to the growth, unity and overall development of the fellowship. May the Lord continue to strengthen and uphold them as they serve.

Appreciation to the Executives and Members
We appreciate our chapter executives for their dedication, sacrifices and collective efforts in sustaining the fellowship throughout the period under review.
Above all, we celebrate every member whose prayers, presence, generosity and encouragement have contributed to the growth and development of the chapter.
May the Lord continually replenish, strengthen and prosper every member, in Jesus' name. Amen.

10.0 CONCLUSION
The period from December 2024 to November 2026 has been a testimony of God's faithfulness to IVCUAF Oyo State Chapter.
We are grateful for the continuity in leadership, sustained fellowship activities, stronger relationship with **IVCUPG** and the numerous academic and professional achievements recorded by our brethren.
As we look forward to another season, our desire is to build on these foundations, deepen our relationships and remain committed to the vision and values of IVCU.
May the bond of love and unity among us continue to grow, and may God grant us greater grace to serve Him faithfully and advance His kingdom.
TO GOD ALONE BE ALL THE GLORY!

PRAYER SECRETARY REPORT

NOVEMBER 2022 - NOVEMBER 2026

The Lord is our strength and song, and He is become our salvation: He is our God, and We will prepare Him a habitation; our Father's God, and we will exalt Him (Exodus 15:2; KJV). To the glory of God, it has been four years (2022 -2026) that I served as the prayer secretary of the IVCUAF-global. I was handed-over to by Bro. Shola Akinbode who served two (2) tenures (2018 to 2022).

In the course of the last four years, I was able to perform the following duties:

1. assisted the IVCUAF leadership in prayer and intercessions and other related assigned duties;
2. attended central executive committee (CEC) meetings and AF events (physical and virtual);
3. coordinated prayer sessions in the IVCUAF CEC meetings;
4. Led and coordinated intercessions for brethren, reunion, AF events, the church and the nation on the IVCUAF prayer unit WhatsApp platform;
5. organisation and coordination of a 3-day maiden IVCUAF global leadership prayer summit;
6. organised and led a number of IVCUAF chapter online and physical prayer session and fellowship meetings;
7. hosted the IVCUAF CEC meeting at Ede, Osun State;
8. facilitated the visit of the IVCUAF CEC members to the VC & Registrar of the Redeemer's University, Ede, Osun State in other to foster fellowship among brethren;
9. facilitated the visit of the IVCUAF Osun State chapter coordinator and his wife to the VC & Registrar of the Redeemer's University, Ede, Osun State in other to foster fellowship among brethren;
10. represented the IVCUAF leadership in Chapter activities (Physical and virtual) and IVCUAF ceremonies;
11. actively participated in IVCU-UG & IVCUPG events like power crusades, executive retreats, training and commissioning, village outreaches, fellowship meetings, word and prayer ministrations, counselling, welfare and discipleship programs;
12. facilitated the creation of IVCUAF virtual chapters platforms (Ekiti, Kogi, Rivers State, Cross River);
13. facilitated a mini connect meeting of some IVCUAF who resides in Lagos State;
14. participation in IVCUAF reunion planning meetings; and
15. participation in IVCUAF reunion programs among others.

To the glory of God, these events were accompanied with testimonies of divine presence, revival, restoration and blessings. Further details on a number of the activities are as outlined in the Table below.

- Mobilised alumni for the 2026 Global Reunion. The Secretariat introduced online registration with individual QR-coded tickets and recorded more than 300 registrations by October.

IVCU-PGF Report For 24/25 Session

COMPREHENSIVE REPORT OF ACTIVITIES

INTRODUCTION

To God be the glory for His faithfulness towards the Postgraduate Fellowship, an arm of the IVCU Global family. His name be praised forever. Amen!

This tenure commenced on Monday, December 15th, 2025, with seventeen members of the General Executives. The theme for the tenure was "The Vessels of God's Glory" (Colossians 1:27; 2 Corinthians 4:6-7; Romans 9:23-24). Since its commencement, the fellowship has experienced all-round growth and development. Throughout the tenure, we have enjoyed nothing less than the mercy and grace of God, enabling us to accomplish all that He has done through us. Hallelujah!

ACTIVITIES DURING THE TENURE

Evangelism

As the core mission of the IVCU family, evangelism remained a major focus throughout the tenure. We embarked on various evangelistic outreaches within and outside the campus, including school outreaches, hostel evangelism, village follow-ups, and village outreaches.

Specifically, the fellowship embarked on a mission outreach from September 10 – 13, 2026, to Korede and its environs in the Badeku Local Government Area of Ibadan, Oyo State. The theme for the outreach was "This Jesus" (Acts 2:14-42). During the two-day open-air crusades held at the open field of Lamini Primary School in Lamini Village, 147 villagers, participated, and 45 responded to the altar call. 36 children participated in the children camp and 30 responded to the altar.

The outreach was a testament to God's faithfulness and power, as well as the efficacy of the unity and love demonstrated by the postgraduate brethren, undergraduate brethren, and the alumni central leadership. To God be the glory!

Fellowship Activities and Special Programmes

As we witnessed God's presence and power manifestly at work in our weekly fellowships and special programmes, we became even more grateful to Him for the privilege of serving in His house.

Our regular activities included Monday Bible studies, Thursday evangelism, and Friday prayer meetings and special programmes. In addition, we organised monthly special Friday teachings centred on the theme for the tenure, relationship talks, academic and entrepreneurship seminars, and the Brothers' and Sisters' Weekend.

These programmes were purposefully organised to strengthen the spiritual lives of the brethren, encourage personal development, and foster meaningful relationships within the fellowship. We have witnessed testimonies of salvation, deliverance, healing, and the revelation of purpose and direction. The testimonies are numerous, and space would not permit us to recount them individually. Glory be to God in the highest!

Welfare of the Brethren

By the grace of God, the brethren are doing well. The Lord has been gracious to us in our academic pursuits, marital affairs, and other areas of life.

During the tenure, we celebrated five marriages, including that of our Bible Study Secretary, Bro. Osunsanmi Philip. We also rejoiced with

brethren who successfully defended their projects and completed their programmes with Ph.D. qualifications, while we continue to trust God for those who are rounding off their academic programmes.

Furthermore, some of our brethren received scholarship opportunities that took them beyond the shores of Nigeria for seminars, presentations, and further academic pursuits. We are grateful to God for His faithfulness in the lives of the brethren and for the various milestones achieved during the tenure.

Oyo State Chapter Quarterly Meeting

By the grace of God, the Postgraduate Fellowship, in collaboration with the Oyo State Chapter executives, hosted the March 2026 quarterly meeting at Tabernacle of Grace, Awo Mount Zion, University of Ibadan, on Sunday, March 15, 2026, at 3:00 p.m.

It was a glorious time of fellowship, networking, spiritual challenge, and encouragement in the faith for the postgraduate brethren. 100 members were in attendance which included the Oyo state alumni members and postgraduate students of the fellowship. We thank God for the opportunity to host the meeting and for the impact it had on the fellowship.

SYNERGY WITH THE IVCU GLOBAL HOUSE

The Postgraduate Fellowship is not independent of the IVCU Global House. Rather, it exists to address the distinct and important need for evangelism and fellowship among the growing population of postgraduate students on campus.

Consequently, a cordial, deep, and strong relationship exists among the undergraduate, postgraduate, and alumni arms of the general house. We have enjoyed immense love and support from every arm of the fellowship.

Together, we have planned, organised, and executed various programmes, including village outreaches, school visitations, undergraduate and postgraduate days, power crusades, and Sunday services in collaboration with the Undergraduate House. We also worked with the Oyo State Alumni Chapter in hosting the Oyo State quarterly meeting.

In addition, the postgraduate brethren have continued to provide mentorship and guidance to the undergraduate brethren. These relationships have been worthwhile, and we trust God to help us continue to grow together in unity, love, and service to Him.

CHALLENGES

Family House

Some of our brethren continue to face accommodation challenges. At times, newly admitted postgraduate students are stranded when they come to campus for tests and examinations. The rented three-bedroom flat that the fellowship has been using as its family house is no longer conducive and has been put up for sale.

We are therefore trusting God for a new family house that will adequately accommodate the needs of the fellowship, not only for the sisters but also for the brothers. We believe that securing a suitable family house will provide much-needed relief and support for the brethren, especially new intakes.

New Bus

For a long time, the fellowship bus, Faithful, has been in a dilapidated condition, and this has affected the fellowship in several ways.

Our meetings sometimes extend into the late evening, occasionally until 8:00 p.m., depending on the programme. The location of our fellowship venue beside Awo Hall has also posed transportation challenges for brethren living outside the campus, including those residing as far away

brethren who successfully defended their projects and completed their programmes with Ph.D. qualifications, while we continue to trust God for those who are rounding off their academic programmes.

Furthermore, some of our brethren received scholarship opportunities that took them beyond the shores of Nigeria for seminars, presentations, and further academic pursuits. We are grateful to God for His faithfulness in the lives of the brethren and for the various milestones achieved during the tenure.

Oyo State Chapter Quarterly Meeting

By the grace of God, the Postgraduate Fellowship, in collaboration with the Oyo State Chapter executives, hosted the March 2026 quarterly meeting at Tabernacle of Grace, Awo Mount Zion, University of Ibadan, on Sunday, March 15, 2026, at 3:00 p.m.

It was a glorious time of fellowship, networking, spiritual challenge, and encouragement in the faith for the postgraduate brethren. 100 members were in attendance which included the Oyo state alumni members and postgraduate students of the fellowship. We thank God for the opportunity to host the meeting and for the impact it had on the fellowship.

New Bus

For a long time, the fellowship bus, Faithful, has been in a dilapidated condition, and this has affected the fellowship in several ways.

Our meetings sometimes extend into the late evening, occasionally until 8:00 p.m., depending on the programme. The location of our fellowship venue beside Awo Hall has also posed transportation challenges for brethren living outside the campus, including those residing as far away

as Ajibode Extension. Furthermore, we have been unable to operate return trips for both off-campus and on-campus members.
These transportation difficulties have affected fellowship attendance, as we have observed a decline in attendance from the beginning to the end of the tenure.
Efforts are being made to secure a new bus estimated at ₦30 million. At the same time, we are trusting God for the resources needed to repair the existing Faithful bus, with an estimated cost of not less than ₦2.5 million for the replacement of its engine with a Tokunbo (fairly used) engine, upholstery, and bodywork.
We also acknowledge the initiative of the IVCU Global Central Executives to establish a central transportation system for the fellowship. We trust God for the fulfilment of this vision. Amen!

Equipment
There is a need to acquire a new generator, amplifier, equaliser, drum set, and keyboard. The equipment currently in use has become weak and increasingly demanding in terms of maintenance. Replacing these items would improve the quality and reliability of our meetings and programmes.

APPRECIATION
Our profound gratitude goes to the Undergraduate brethren for their unwavering support throughout the tenure, especially during the village outreach to Korede and its environs. Their support for the medical outreach is particularly memorable and cannot be easily forgotten. We sincerely appreciate their love, sacrifice, and partnership in the work of the ministry.
To our indefatigable and highly valued staff advisers, Prof. Joke Akinyele, Prof. Laide Ajayi, and Assoc. Prof. Babatunde Oyefeso, your fatherly and motherly roles in our lives and in the affairs of the fellowship are second to none. We deeply appreciate your guidance, counsel, and support throughout the tenure. Thank you, sirs and ma.
To the IVCU Oyo State Chapter and all our senior friends that have passed through the PG house, we express our immense gratitude for your encouragement, support, fellowship, and counsel at various times. The impact of the quarterly meeting held in March continues to resonate within the Postgraduate Fellowship, and we remain grateful for your contribution to our growth. The leadership roles played by every senior friend is second to none. God bless you, all.
To the IVCU Global AF CEC, we sincerely appreciate your invaluable support, oversight, and commitment to the growth and development of the fellowship. Words alone cannot adequately express our gratitude for all you have done for us.
Our prayers are with you all. May God Himself be your eternal reward!
To God alone be all the glory for His faithfulness throughout this tenure. Amen!

IVCU-NIFES Report For 26/27 Session

COMPREHENSIVE REPORT OF ACTIVITIES

1. TENURE
We bless God for his unfailing covenant and great mercy by which he has remained faithful to this house for the past 66 years. We have heard the testimonies of the things God has done in the days of our fathers and mothers, what he did in their lives and did through them. We have also had the privilege of witnessing some of these things ourselves as we journey in this house. It is indeed a great privilege and an expression of God's mercy to be part of this spiritual legacy.
We thank God for his faithfulness unto us in the fellowship. This tenure commenced on September 6 2026, with the commissioning of 53 General Executive Committee members, comprising 7 Central Executive Committee members and 46 General Executive members. The commissioner was Evang. Sola Oki
The theme for the tenure is GOD'S BUILDING, drawn from 1 Corinthians 3:9, 1 Peter 2:5, and Ephesians 4:11–15.
This theme was born out of a strong conviction that the Lord has called the fellowship into an experience of building. We perceive that God desires to build His people into maturity and raise a generation of IVCUites who know the Lord, live for Him, and can stand firm in this perverse generation. We believe that God will accomplish this building through the work of thorough discipleship.
We thank God for His help thus far. Two months into the tenure, we believe that the Lord has been helping us and granting us His grace.

2. PROGRAMMES
So far, we have held several programmes during the tenure. Some of the major programmes include:

- **Central Executive Retreat:** This was held to strengthen and prepare members of the Central Executive Committee for the responsibilities of leadership.
- Final-Year Brethren Commissioning: We held a commissioning programme for final-year brethren, with Reverend Victor Odunjo as the minister.
- **Prayer Band Retreat:** This retreat featured ministrations by Professor Gbenga Oyeyemi, Pastor Femi Dairo, and other senior brethren
- **Catch Them Young Exercise: The Catch Them Young (CTY)** initiative has commenced online with the onboarding of freshers into a group. We have also been holding teaching and informative sessions to introduce them to the university. The on-ground aspect of the programme is scheduled to commence at resumption, currently proposed for January 18, 2027. During this period, freshers will be reached with the gospel and admission of as many as God will send to become part of the fellowship. We also look forward to welcoming as many freshers as the Lord will send to the house, climaxing at the fredher' welcome at the Power Crusade.
-

Upcoming Programmes
Some of the major programmes planned for the remaining part of the tenure include:

- Power Crusade 2027: Tentatively scheduled to hold from February 26–28, 2027. This will provide another opportunity to reach out to freshers and the wider university community with the gospel and

trust God for revival in the house.

- Village Outreach: We also look forward to having a village outreach programme later in the tenure, tentatively scheduled for June 2027.
- Missions Weekend, Brothers and Sisters' weekend.
- We trust God for His help, provision, and the manifestation of His power in all these programmes.

3. WELFARE

We bless the Lord for His faithfulness in providing for the welfare needs of members over the past tenures and even during the current one.

We are particularly grateful to the IVCU Alumni Fellowship for the consistent support it has provided through its monthly stipend scheme for indigent students. Several members are beneficiaries of this scheme, alongside some members of the postgraduate fellowship.

In addition to the monthly stipend, support has also been extended in recent months to brethren who needed financial assistance for project completion and other welfare needs across the fellowship.

Furthermore, we have received generous donations from individual alumni fellowship members, as well as groups of alumni fellowship members, at different points during the tenure. These contributions have supported the house in various ways, including providing for programme expenses and meeting other needs within the fellowship.

We sincerely appreciate the IVCU Alumni Fellowship and all individuals who have contributed towards the welfare and general needs of the house. These consistent expressions of love, generosity, and support have been of tremendous help to the fellowship.

4. EVANGELISM

By God's grace, our various evangelism groups, including SVG, CEG, VET, CET and H&P (Hospital and Prison Visitation), have been going out weekly to reach people with the Gospel. These outreaches have taken us to schools, hospitals, prisons, halls of residence and different locations within and around the university campus. Through these engagements, we have been able to meet people, share the Gospel of Christ and receive various testimonies from our encounters.

Furthermore, we usually have All-House Evangelism every last weekend of the month, where we go out as a house to carry out the great commission and with the power of God backing us up.

We remain grateful to God for His help and trust Him for greater effectiveness and fruitfulness in the work of evangelism..

5. ACADEMICS

We thank God for His faithfulness in the academic lives of members.

At the last power crusade, in continuity of the celebration of academic excellence by the alumni fellowship, abour 40 members were awarded for being on the first class grade.

Notably, at the just concluded convocation Ceremony, Several IVCU undergraduate students graduated during the ceremony.

We had 3 Best Graduating Students (BGS) from the department of Economics, Sociology and Human Nutrition and Dietetics. Furthermore, we also had 19 First Class Students across faculties and departments, and 5 distinctions, for which we give God all the glory.

The semester examinations have also recently been concluded. We thank God for how He has helped our brethren throughout the examination period, and we trust Him for good reports.

6. SYNERGY WITH THE POSTGRADUATE FELLOWSHIP

Under the close supervision of the IVCU Alumni Fellowship Central Executive Committee, there has been a continual fostering of unity between the undergraduate fellowship and the postgraduate fellowship. We have enjoyed several opportunities for collaboration and fellowship across both arms. These include joint services and participation in the regular PG Sunday and UG Sunday programmes.

There have also been collaborations in the area of village outreaches. On some occasions, the postgraduate fellowship has joined our outreach efforts such as the Mission Outreach to Laniba and the surrounding communities which held in July, 2026. On ther occasions, we have participated in theirs. A notable example is the involvement of the IVCU Medical and Dental Club in providing medical support during the medical outreaches organised by the postgraduate fellowship.

These are some of the practical ways through which we have experienced synergy between the undergraduate and postgraduate fellowships. We are grateful for the growing unity and cooperation between both arms, and we trust God for even greater collaboration going forward.

7. PROJECTS

One of the notable projects undertaken during the previous tenure was the upgrade of the sound system and technical team.

We are particularly grateful to God for His massive provision through the IVCU Alumni Fellowship. Through the generous contributions of members of the Alumni Fellowship and members of the Undergraduate Fellowship, the sum of approximately ₦9 million was raised for the purchase of new sound equipment.

These included speakers, amplifiers, microphones, and other essential equipment needed to improve the sound system and technical operations of the fellowship.

This intervention has significantly improved the standard of the sound system, bringing it out of the dilapidated state it had previously been in.

We are deeply grateful to God for this provision and for everyone who contributed towards making the project a reality.

The newly acquired equipment is also being properly managed and monitored to ensure its longevity, optimal performance, and continued functionality.

We give God all the glory for this remarkable provision and appreciate everyone who gave towards the project.

8. RELATIONSHIP WITH CHAPEL MANAGEMENT

Our relationship with the Chapel Management has been cordial and productive. We have continued to build a good rapport with the Chaplain, secretaries, security assistants and the management team at large. We are grateful for the cooperation and support received from the Chapel, particularly in our access to the Chapel Auditorium and other available spaces for our services and various meetings, as well as the use of sound equipment and other facilities. We have also maintained a good working relationship by respecting and abiding by the applicable guidelines and arrangements governing the use of these facilities. We look forward to sustaining this cordial relationship.

9. RELATIONSHIP WITH NIFES

We are also maintaining a good relationship with NIFES throughout the period. There has been consistent communication, follow-up and feedbacks between the fellowship and the NIFES leadership, fostering a healthy relationship and a sense of partnership. We appreciate their continued interest and involvement in the affairs of the fellowship and trust God for even stronger collaboration and mutual support.

10. CHALLENGES

Transportation

One of the major challenges confronting the fellowship has been transportation. Currently, the house relies on one bus, Marvelous, which is now very old, to facilitate movements for its various activities, outreaches and other engagements. This has placed considerable demands on the available transportation arrangement, considering the numerous activities and responsibilities of the fellowship.

IVCU-NIFES Report For 26/27 Session

COMPREHENSIVE REPORT OF ACTIVITIES

We are trusting God for the actualisation of the Central Transport System of the Undergraduate (UG) and Postgraduate (PG) fellowships. We believe this provision will greatly ease transportation challenges and enhance the effectiveness of our various activities. We look forward to seeing this plan materialise and to sharing the testimonies that will follow.

IVCU Legacy Building Progress Report

NOVEMBER 2026

When the IVCU Legacy Building in Laniba, off Ajibode Extension, Ibadan, opened for partial use on 7 February 2026, one of the Fellowship's long-held hopes began to take practical shape. Undergraduates have since gathered there for prayer, postgraduate students have held a leadership retreat, and the building has hosted outreach to the Laniba community. By July, more than 430 participants had taken part in five events. The Global Secretariat also uses the facility for its daily work.

Progress on the building

In July, the Building Committee reported that the project was 70% complete. By then, the auditorium had a tiled floor and suspended ceiling. Roofing and the main electrical and plumbing installations were in place. Outside, the entrance culvert and drainage works had been completed, while solar streetlights provided lighting around the premises.

A further milestone this November was the expansion of the building's power system. Two 12 kW inverters and six lithium batteries now provide 24 kW of inverter capacity and 85.8 kWh of nominal battery storage. This investment strengthens the power supply for auditorium programmes, lighting and the day-to-day work of the Secretariat.

Priorities for the next phase

The next phase centres on making the building more useful to the people who gather here. Priorities identified by the Committee include auditorium seating, sound and acoustic treatment, furnishing the upper-floor retreat accommodation, and completing work on the perimeter and grounds. As use of the facility grows, regular maintenance will also be essential to keeping it welcoming for students, alumni and guests.

The programme for the 20–22 November 2026 Global Alumni Reunion includes the planned major milestone celebration of the building on Saturday, 21 November. As we gather under the theme "Anchored in Faith, Committed to Excellence," we give thanks to God and to the alumni, chapters, families and friends who have prayed, given and worked towards this vision. We especially acknowledge the Building Committee, chaired by Bro. Michael Araba, and the site engineer in person of Bro Wale Akinyele, professionals, artisans and volunteers who have carried the work forward.

For many alumni, some of the most enduring memories of IVCU began at a prayer meeting or a retreat. Students are already making memories of their own in Laniba. May the Lord use this house to nurture in them the faith and friendships that have sustained generations of IVCU brethren.

2. ORGANIZED PROGRAMS & CAPACITY BUILDING

In line with our commitment to holistic growth—spiritual, professional, and financial—the leadership organized two impactful editions of the Career and Finance Summit between 2024 and 2026:

Career and Finance Summit 1.0

Topic:

Speakers: Daddy Michael Araba and Daddy Olujide Abimbola

Highlight: Laid the foundational framework for career navigation, wealth creation, and godly stewardship in the workplace.

Career and Finance Summit 2.0

Topic: The Resilient Professionals

Speakers: Bro. Ekoh Courage and Bro. Emmanuel Olaosebikan

Attendance: 36 participants

Highlight: Focused on building adaptability, professional excellence, and financial resilience in a changing economy.

LOOKING AHEAD

The 2024–2026 period has demonstrated that Generation '20 remains a vibrant, supportive, and forward-moving community. As we gather for our 2026 reunion, we celebrate all that God has done among us and look forward to greater spiritual depth, stronger welfare support, and higher-impact initiatives in the years ahead.
